COVID-19 SYMPTOM STUDENT SELF-SCREEN

INSTRUCTIONS:
Please review the following questions daily before coming to campus. If you exhibit any symptoms, please contact Dr. Jami Hall, Dean of Students. Students residing in Mashburn Residence Hall also need to contact Mr. Tim Reilly, or the Mashburn administrative staff member on call, and remain in your room.

Do you have any of the following?
- Fever of 100.4° F or greater (without the use of fever reducing medications) taken with a thermometer
- Chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- Sore throat
- New loss of taste or smell
- Congestion or runny nose
- Nausea or Vomiting
- Diarrhea

If the answer is “yes” to one or more of the following questions, you should stay home and notify Dr. Jami Hall.

- Are you experiencing any of the COVID-19 related symptoms noted above?
- Are you living with or caring for an individual who is suspected or confirmed case of COVID-19?
- Have you been in direct or close contact with anyone known or suspected to have COVID-19 in the last 14 days?
- Have you been tested and are awaiting results or tested positive for COVID?
- Have you been asked to self-isolate or quarantine by a medical professional or a local public health official?

If you have symptoms of COVID or have been in direct or close contact with someone diagnosed with COVID, contact your primary care physician or Georgia Department of Public Health at 844-442-2681 for testing or visit CDC Self-Checker and follow the information provided.

By coming to campus, a student is acknowledging they have completed the self-monitoring requirements prior to coming to campus each day and confirmed they do not have signs/symptoms of COVID-19.
